

Cookie Notice for BlackLabs AI

Effective Date: May 31, 2025

This Cookie Notice explains how BlackLabs AI uses cookies and similar technologies on our website.

1. What are Cookies?

Cookies are small text files that are placed on your computer or mobile device when you visit a website. They are widely used to make websites work, or to work more efficiently, as well as to provide information to the owners of the site.

2. How We Currently Use Cookies

Currently, the BlackLabs AI website is purely informational and **does not use any cookies or similar tracking technologies** to collect personal data, track your browsing activity, or for advertising purposes.

This means:

- We do not use analytics cookies (e.g., Google Analytics).
- We do not use marketing or advertising cookies.
- We do not use social media cookies.

3. Future Changes to Cookie Usage

Should Rickerby Chauffeur Cars decide to implement any form of cookies or tracking technologies in the future (e.g., for website analytics, improved functionality, or third-party integrations), we will:

- Update this Cookie Notice and our Privacy Policy to reflect these changes.
- Implement a clear cookie consent banner or mechanism to obtain your explicit consent for any non-essential cookies, in compliance with UK and EU regulations.

4. Your Choices

Since we currently do not use cookies, no action is required from you regarding cookie preferences on this website.

If our cookie usage changes in the future, we will provide clear instructions on how you can manage or opt-out of cookies through your browser settings or via a dedicated cookie consent tool on our site.

5. Contact Us

If you have any questions about this Cookie Notice, please contact us:
